Hi Felix,

**Congratulations on your nomination for **Rookie of the Year** in the Champions' Award 2024!** 🏆 🎉 😊

"Despite being a co-op, Felix has joined Accedo with a tremendous amount of technical knowledge that he's showcased in a short period of time at Accedo. Whenever Felix is assigned a ticket, he completes it within minutes. He is very efficient. Hopefully he can also win one game of ping pong before he leaves Accedo to go back to school ;)"

Your colleague nominated you for this with examples of you as **"An employee has been hired since November last year, and onwards, who has ramped up very quickly and exceeds with contributions in many ways, be it providing new ideas, customer satisfaction, business ideas etc."** Also including your Direct Manager for recognizing your great work!

**Thank you Champion for acting the Accedo way!** 🙌
